The Big short: inside the universal judgment machine It is a fiction book from Michael Lewis on building -up of real estate bubble in the United States during the 2000s. The book was released on March 15, 2010, from WW Norton & Company. 28 weeks spent in the New York Times best-selling list, and was the 2015 film base with the same name. Summary The Big Short describes some of the main actors of crediting the Credit Default Swap market that tried to bet against the collateralized debt obligation (CDO) Bubble and so he ended up drawing profits from the financial crisis of 08. The book puts in Evidence also the eccentric nature of the type of person who bets against the market or goes against wheat. The work follows the people who believed that the bubble was about to burst, like Meredith Whitney, who predicted the disappearance of Citigroup and Bear Stearns; Steve Eisman, a Hedge Fund manager without hair on the tongue; Greg Lippmann, a Deutsche Bank merchant; Eugene Xu, a quantitative analyst that created the first CDO market combining buyers and sellers; The founders of Cornwall Capital, which started a hedge fund in their garage with \$ 110,000 and built in \$ 120. millions when the market crashed; And Michael Burry, a former neurologist who created capital scion. [1] The book also highlights some people involved in the great losses created by the collapse of the market: like that of Merrill \$ 300 million middle CDO director Ala Chau; Howie Hubler, known as the person who lost \$ 9a billion in an exchange, the second largest unique loss in history,. [2] And Aig Financial Products by Giuseppe Cassano, who suffered more than \$ 99th billion losses [3] Reception The book was selected for the 2010 Financial Times and Goldman Sachs Book Business of the Year Award. 28 weeks on The New York Times' Non-Fiction Best-Seller List. [4] He also received Robert F. Kennedy Center 2011 Justice and Human Rights Book Award for. [5] Item Main Film: The Big Short (Film) Paramount has acquired the rights of The Big short: inside the universal judgment machine in 2013. On March 24, 2014, it was announced that Adam McKay would direct the Adaptation [6]. On January 13, 2015, Variety reported that Brad Pitt, Christian Bale and Ryan Gosling were fixed for the protagonist of the film, and Pitt would produce the film with McKay and Dede Gardner. Steve Carell then joined. [7] Plan B Entertainment has funded the film with Paramount manage distribution rights. Production started on March 23, 2015. [8] in New Orleans, La. [9] The film released on 11 December 2015, and was accepted with great critical success, winning the Oscar for the best screenplay, as well as receiving a nomination for the Academy Award for the best film. External links Wikiquote has citation related to: The great short short short, in WW Norton (official book site) "Shorting our future", a great review in the Oxonian review Recovered from " Dick Durbin IA, ä "ç came to a lot of other people at the end of the book by Michael Lewis, the great Short, and it's really an opening of what was happening at the time this real estate bubble has been created. Carl Levin I read it, mark it for my staff, pointed out, did copies and asked them to read it. Harry Reid I recommend everyone in the sound of my voice to read [this] book. Jackie Speier [A] n amazing piece of comment on Wall Street. Byron Dorgan If you are asking if there is an importance or urgency of this problem, read the book the big brief of Michael Lewis, and then, when you have finished reading, return to the floor and say this amendment is supported [ on financial reform]. We fed the monster until he jumped, while Wall Street was committed to creating the largest credit bubble of all time, some renegaded investors saw that he was about to burst, bet against the banking system and made a fortune. From the jungles of the commercial floor to the casinos of Las Vegas, this is the outrageous history of the mismatched, ancients and genes that, against all the odds, made the largest financial murder in history. Awards Short List Times Financial Times and Goldman Sachs Bus (2010) The great financial spindle is finally getting his star turn the big screen with the release of great short. Based on the New York Times Bestseller of Michael Lewis of the same title, the film tells the story of six opponent merchants who would smear the crash of the housing before anyone else. Their foresight helped them make lumps of money while the institutions of Wall Street crumbled. Michael Burry, which is portrayed by Christian Bale in the film, made for just \$ 750 million in 2007 due to the bets he did .1 The film is gaining reviews of rave and mentions of Oscar nominations, but it's even better If you understand the WORKY details behind the plot. Well, at least it's better when you discuss the ä €
